Behavior Disclosure

We are committed to maintaining a safe learning environment. As part of that commitment, we require you to disclose if they have:

- have been subject to formal disciplinary action (including for example, but not limited to, suspension or non-academic reasons at any post-secondary institution, college or university)
- have been charged with or convicted of a crime (or a foreign legal equivalent)
- and/or have engaged in behavior that caused injury to person(s) or personal property, sexual harassment or behavior that led to a restraining order against you) which results in a conviction or a finding of responsibility

A previous disciplinary action, charge, conviction, or conduct of the sort identified here does not guarantee admission to IU, but they do require review by the campus admissions committee. Further information provided will be conducted independently of the evaluation of your academic record by the admissions committee and/or with other officials at IU who have a need to know as part of the admissions process.

Please note: By submitting your application to Indiana University, you acknowledge and agree to inform the University of:

- any formal disciplinary action for academic or non-academic reasons at any time
- any legal charges and/or convictions (or foreign legal equivalents) that have resulted in a conviction or a finding of responsibility
- and/or any behavior that causes injury to person(s) or property which results in a conviction or a finding of responsibility

You must provide updated information to the campus admissions committee prior to your application. The admissions committee will review the information provided and may consider whether to accept your application for review.

As part of your application, you must provide a statement regarding the conduct you have engaged in during your previous postsecondary education. We ask that you upload this statement in the **Supporting Information** section. If you miss that step you can complete the prior conduct form found [here](#).
